

35m OFFSHORE SUPPLY VESSEL

To facilitate fast and efficient transportation of cargo and crew to offshore platforms, VEKA presents a whole new line of supply vessels. The present range covers a Fast Supply Vessel, Fast Crew Vessel, and Fast Intervention Vessel to support the offshore industry.

The hull is specifically designed by Mulder Design to empower fast navigation in rough waters, without compromising the comfort and safety of the crew in all weather conditions, and features superb handling capabilities.

The fast supply vessel combines abundant deck space with a comfortable crew accommodation, and has the perfect set up for handling both cargo and crew.
